Monday 5 - 08

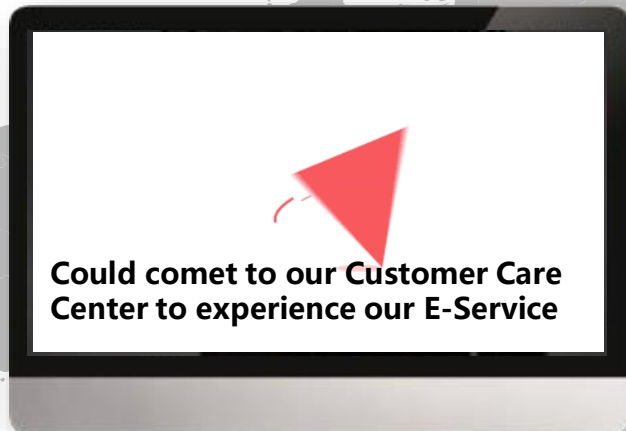

Glarie 7 days 24 hours service hotline:  
**400-828-2100**

Elevator running data via mobile 3G network or Internet is sent to GLARIE professional maintenance personnel、customers or property monitoring platform、GLARIE 24 hours service center、GLARIE data monitoring server.

# Experience of E-Service platform

The biggest advantage of our E-service is the connecting way. We adopt the mobile 3G or 4G network or WIFI connection mode, moreover, it can connect with our maintenance workers, GLARIE Customer Service Center and Data Center, meanwhile, it can also provide the operating data reports and can respond quickly if accident happens and other value-added service.

E-Service System

# Experience of GLARIE APP

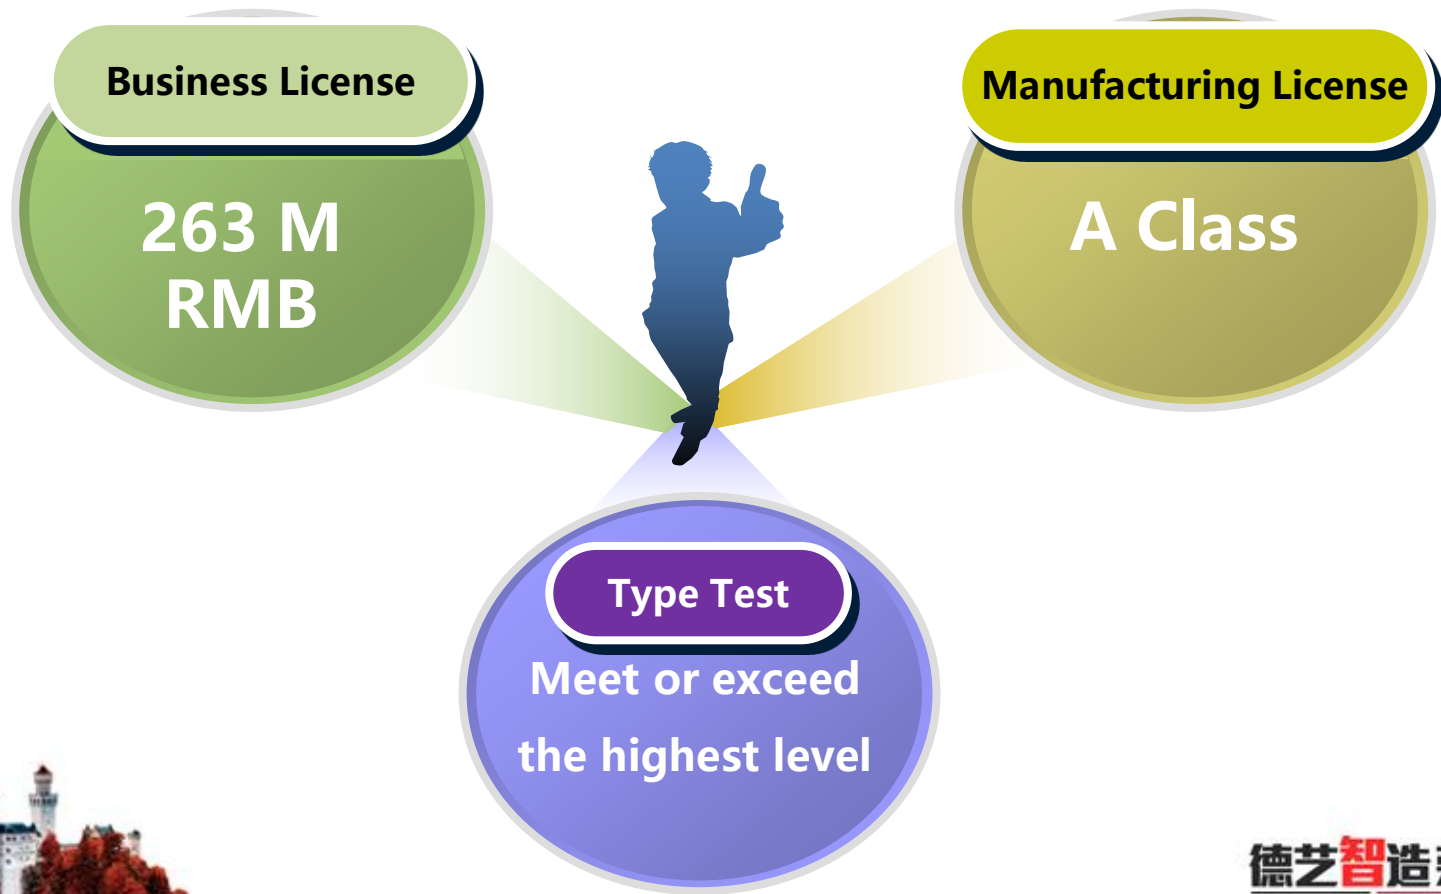

GLARIE APP combines big data, intelligent cloud, cross-platform in one body, multi-dimensional integrated elevator intelligent maintenance ecosystem, based on handheld mobile terminal, can realize the inspection and system maintenance on elevator total ecosystem.

Every spare part has its own bar code, by scanning them before delivery to make sure there is no missing part to reduce the complaint rate.
